IIT - WRIGHT ENGINEERING

ABOUT THE PROGRAM

The Dual Admission Program that offers students a seamless transition from Wright College to Armour College of Engineering at Illinois Institute of Technology.

BENEFITS

o   Students are guaranteed admission to their major of choice.

o   A $25,000 scholarship upon transfer to IIT.

o   Students will be enrolled as a non-degree students at IIT while attending Wright College.

o   Students can enroll in a course at IIT every semester while paying CCC tuition rates.

o   Course enrollment at IIT may also include access to resources such as the library, student clubs, and the gym.

o   Access to career services such as career fairs and career counseling at both institutions.

o   Assigned college advisor at Wright College and a professional advising support at IIT.

o   An option to pursue co-terminal degrees (bachelors and masters) in 3 years after transfer to IIT.

PROGRAM REQUIREMENTS

o   Complete an Associate degree (AA, AS, AES or AGS) within 3 years of the date of initial enrollment at Wright College, in addition to the courses outlined in the suggested sequence for the intended major at the College of Engineering at IIT.

o   A minimum 3.0 graduation GPA in all courses taken at Wright College and at least a 3.0 GPA each semester of enrollment.

o   Students' standing in the program will be evaluated at the end of each semester. Students who do not maintain the 3.0 GPA may no longer be eligible for program benefits.
